

Operational data from February 2023

Brisanet Participações S.A. (B3: BRIT3), the largest company among independent internet service providers in Brazil¹ and the largest fixed broadband provider in the Northeast region, according to Anatel's ranking, informs that the **operational data of fixed broadband customers for February 2023, released on March 27 by Anatel, does not include a Brisanet base of 2,331 customers.** This information will be rectified by the Company later this week.

As we cannot guarantee that the rectified data will be republished with the reference of the month of February, we reiterate the information contained in our investor relations website – Investor Information/Results Center/Results in Excel – as well as in all material related to disclosure 4Q22 results report, which shows **the fixed broadband customer base at the end of February 2023 at 1,136,326 customers, with growth of 15,759 customers in the last month.**

Pereiro/Ceará, March 28, 2023.
