At the end of **November 2024**, Brisanet served **1,429,169 customers**, **1,419,453 of them in FTTH** (Fiber to the Home), in all 9 states of the Northeast region, passing in front of 7.1 million homes in 158 cities. During the period, we would highlight the organic **growth of 14,182 HCs**, **3,366 of which were FWA (Fixed Wireless Access) customers**, whose sales began in regions where we already have mobile coverage, but not FTTH.

Addition, Brisanet also operates through its franchisor, Agility Telecom. The brand is represented by 64 franchisees who operate in smaller towns or rural districts in the region, serving 142,866 customers.

Considering the two bases, the company serves almost 1.6 million fixed broadband customers throughout the Northeast region.

The **growth of the mobile base during the period was 42,026 customers**, reaching **296,940 active chips** on November 30, 2024. With the implementation of FWA, commercial efforts in the mobile telephony sector were temporarily redistributed, but this situation is expected to normalize in the coming months.

The company ended the period with 9.9 mm inhabitants covered by its mobile infrastructure.
