At the end of **January 2024**, Brisanet served **1,304,371 customers** in all 9 states in the Northeast region, passing through 7.0 million homes in 158 cities. During the period, we highlight the **organic growth of 12.3 thousand HCs**.

The Company continues to advance in capitals and metropolitan regions, with fiber market share stable between 50 and 66% in Natal, Maceió and João Pessoa, growing and above 20% in Fortaleza and Aracaju (figures from Dec-23).

In 2023, considering the Northeast operating region, Brisanet organically grew its customer base by 192 thousand, a number greater than the sum of the 10 most relevant competitors in the same period.

Brisanet also operates through its franchisor, **Agility Telecom**. The brand is represented by 70 franchisees who operate in smaller cities or rural districts in the region serving 185,748 customers.

Considering both bases, the Company **serves approximately 1.5 million customers** throughout the Northeast region.

The mobile customer base reflects the number of active chips on 01/31/24. Until January, the Company was operating commercially in an area with a population of just over 1 million inhabitants.
