# Population Covered	5,270,000	5,000,000	5.4%	270,000

At the end of **March 2024**, Brisanet served **1,324,104 customers** in all 9 states in the Northeast region, passing through 7.0 million homes in 158 cities. During the period, we highlight the **organic growth of 9.2 thousand HCs**.

The Company continues to advance in capitals and metropolitan regions, with fiber market share stable between 50 and 66% in Natal, Maceió and João Pessoa, growing and above 20% in Fortaleza and Aracaju (figures from Dec-23).

In 2023, considering the Northeast operating region, Brisanet organically grew its customer base by 192 thousand, a number greater than the sum of the 10 most relevant competitors in the same period.

Brisanet also operates through its franchisor, **Agility Telecom**. The brand is represented by 69 franchisees who operate in smaller cities or rural districts in the region serving 170,556 customers.

Considering both bases, the Company **serves approximately 1.5 million fixed broadband customers** throughout the Northeast region.

The mobile customer base reflects the number of active chips on March 31, 2024. During March 2024, **the mobile client base grew 20,605 customers**.

Pereiro/Ceará, April 17, 2024
