At the end of **May 2024**, Brisanet served **1,345,633 customers** in all 9 states in the Northeast region, passing through 7.0 million homes in 158 cities. During the period, we highlight the **organic growth of 12.3 thousand HCs, 3 thousand HCs more than the growth of the previous month.**

The Company maintains a dominant or growing market share in capitals and metropolitan regions, with fiber market share stable between 50% and 66% in Natal, Maceió and João Pessoa, growing and above 22% in Fortaleza and Aracaju (figures from Apr-24).

In the first four months of 2024¹, more than 73% of the region's growth (except for the state of MA, where we are only present in part of a municipality) **is attributed to the Company** – we grew 40.7 thousand customers out of 55.5 thousand.

Additionally, Brisanet also operates through its franchisor, Agility Telecom. The brand is represented by 69 franchisees who operate in smaller cities or rural districts in the region serving 172,526 customers.

Considering both bases, the Company **serves over 1.5 million fixed broadband** customers throughout the Northeast region.

The mobile customer base reflects the number of active chips on May 31, 2024. In May, **the growth of the mobile base was 24,148 customers.**
