LONG-TERM FINANCING – BNDES FUST

BRISANET PARTICIPAÇÕES S.A. (B3: BRIT3) (“Company” or “Brisanet”), in compliance with §4 of article 157 of Law no. 6,404, of December 15, 1976, and in accordance with CVM Resolution no. 44, of August 23, 2021, informs its shareholders and the market in general about the approval of a credit line by the National Bank for Economic and Social Development – **BNDES**. This line of credit aims to raise funds worth up to **R\$ 146,150 thousand** (one hundred and forty-six million and one hundred and fifty thousand reais), coming from the Telecommunications Services Universalization Fund (FUST), through the BNDES FUST Program.

The resources raised will be used to expand, apply and improve telecommunications networks and services, as well as research and implementation of new connection technologies – 5G/FWA. These initiatives have as their main objective the reduction of regional disparities and the stimulation of economic and social progress.

The Company is committed to using the resources to build 95 towers with 4G/5G technology, expanding the coverage of the Personal Mobile Service (PMS) in 168 community locations in the cities of Fortaleza, Caucaia, Maracanaú and Maranguape, all located in the state of Ceará. Disbursements are subject to compliance with the conditions established in the contract.

Main conditions of the credit line:

- ✓ Term of Use: 36 (thirty-six) months;
- ✓ Grace Period: 36 (thirty-six) months;
- ✓ Amortization Term: 180 (one hundred and eighty) months, with quarterly installments;
- ✓ Guarantee: Letter of Guarantee;
- ✓ Interest Rate: RR – Reference Rate + 1.20% yr.

For the founder and CEO of Brisanet, Roberto Nogueira, “digital inclusion has always been our greatest purpose and the main driver of Brisanet’s rise. For more than 25 years, we have been investing in the Northeast because we see the potential and opportunities that this region offers us. Now, with the support of FUST resources, we are determined to go even further, helping to bring, with innovation and technology, connectivity where it is needed most. This is just the first project in this partnership. We count on this relevant support from the BNDES FUST Program to continue and multiply this impact throughout the Northeast and Mid-West of Brazil.”

Brisanet is committed to keeping its shareholders and the market informed about any developments related to this matter.
