**MATERIAL FACT
UPDATE OF OPERATIONAL PROJECTIONS (GUIDANCE)**

BRISANET PARTICIPAÇÕES S.A. (B3: BRIT3) (“Company”, “Brisanet”), in compliance with the provisions of the Resolution of the Brazilian Securities and Exchange Commission (“CVM”) No. 44, of August 23, 2021, and Law No. 6,404, of December 15, 1976, as amended, and in addition to the Material Fact disclosed on January 2, 2024, hereby informs its shareholders and the market in general about the update of its operational projections (guidance) regarding the number of municipalities with mobile coverage and their respective covered populations.

Year	Projection		
	Number of municipalities	Population Covered (4G/5G)	Population Covered (FTTH/5G Infrastructure)
2024 (previous projection)	+ than 300 municipalities	~ 14 million inhabitants	~ 10 million inhabitants
July 2024 (Actual)	133 municipalities	~7 million inhabitants	~6.2 million inhabitants
2024 Updated	+ than 230 municipalities	Over 10 million inhabitants	~9 million inhabitants

Population covered at the end of 2024 Updated (in millions of inhabitants):

The reduction in coverage expectations for 2024 is a consequence of adapting the expansion of 5G infrastructure to the evolution of the mobile base and revenue up to July 2024.

Any considerations about estimates, forward-looking statements regarding plans, expectations about future events, strategies and financial trends that affect Brisanet's activities, including any previously disclosed projections, which involve risks and uncertainties (and, therefore, are not indicative or constitute guarantees of future results), should not be considered by investors for the purpose of basing their investment decision.

Pereiro/CE, August 14, 2024.
